### **Further Instructions :**

a) After filling up of all the fields click preview to see the application form. If any of the fields are left unfilled by you, a message will be displayed and the cursor moves to unfilled field.

b) After clicking the preview button you will get the details of the entered data. If it is found that there is need for editing any of the details please click 'go back', this will take back to the main menu. You have to select once again post applied for and qualification and make suitable corrections and then click preview again to see the details in the application form.

c) If all the information provided is correct, please click Submit/Register Me. Once you click this you will not be able to make further correction. This will take you to the Challan and application details.

d] You can make as much as changes before moving into the generation of the payment challan.

e] After going to the Challan details, please take a print out of the challan and make payment and obtain the receipt in any one of the computerized post office branch in the state of Karnataka. The receipt so obtained has to be produced during the verification of documents. If the amount is not paid the application will not be considered for further process.

f] Please take a printout copy of the application details and keep it with you. The same has to be produced during the verification of documents.

g] **If there is any doubt in Kannada version of recruitment notification, please refer English version of recruitment notification.**
