KARNATAKA POWER CORPORATION LIMITED
(A government of Karnataka enterprise)
KALINADI HYDRO ELECTRIC PROJECT
Brief Bid Notification
(Through e-procurement portal)

No. L5W4M12/CO2 Fire

Date: 19.12.2016

(E-tender notification No. L5W4M12/CO2 Fire dated 19.12.2016)

1.00 Tenders in two parts are invited through e-procurement portal for “ ***Design, supply, installation, testing & commissioning of new CO2 system for Generator fire protection at Nagjhari Power House***” from reputed bidders with proven track record of successful completion of similar works.

2.00 Instructions regarding (e-Procurement)

- The Bid has to be submitted in the Govt. of Karnataka e-procurement portal website only. i.e., www.eproc.karnataka.gov.in
- Bidders who have not registered in e-procurement portal, may do so by registering through website www.eproc.karnataka.gov.in
- Pre-qualified bidders can access the bid document on website, fill & submit the completed bid documents into electronic tender on website itself within stipulated date. Blank bid documents can be accessed through e-procurement portal website www.eproc.karnataka.gov.in
- Bidders shall attach scanned copies of all certificates pertaining to pre-qualification requirement as mentioned under minimum qualifying requirements clause. Whenever required, bidders shall furnish the original certificates to KPCL authorities, failing which the bidder will be disqualified.
- Conditional bids, incomplete bids, bids without EMD, bids not uploaded properly and late submission of bids shall be rejected.
- Bidders shall refrain from altering/modifying/revising the price bids after the date & time fixed for submission of bids in calendar of events, even though it is accepted by the portal. Date & time stamp of portal shall be final in deciding time & date of submission of bid. Decision of the Corporation in this regard is final and acceptable to all the bids.

3.00 Earnest Money Deposit

EMD of Rs. 48,750.00 (Rupees Forty eight thousand seven hundred and fifty only) shall be paid online through e-procurement portal using any of the payment modes such as Credit card, Direct Debit, National Electric Fund Transfer (NEFT), Over the counter (OTC).

4.00 Tender Processing Fee

Payment towards Tender processing fee can be made through Credit Card, Direct Debit, National Electric Fund Transfer (NEFT), Over the Counter (OTC). Transaction fee is non-refundable.

5.00 Brief scope of work

Design, supply, installation, testing & commissioning of new CO2 system for Generator fire protection at Nagjhari Power House which includes new Heat detectors and smoke detectors to sense fire inside generator barrel, new pressure release mechanism to release CO2 gas instead of weight release mechanism (which include solenoid operated master valve and pressure release slave valve with NRVs), Continuous online CO2 gas weight monitoring system with control panel , new microprocessor based main control panel for fire alarm with CO2 actuation system, New barrel door interlocks to inhibit automatic CO2 discharge, Installation of hooters at different places covering all associated works and components required for successful completion of the work. Detailed scope is described in bid document which is binding on all the bidders.

6.00 Pre-qualification requirements:

The bidders shall satisfy the following pre-qualifying requirements:

- The bidder shall be a regular manufacturer/supplier /authorized service provider in India who have successfully supplied, commissioned & executed similar fire protection system works for generators which are in satisfactory operation for not less than two consecutive years in preceding 5 financial years.
- Bidder shall furnish copy of satisfactory performance report issued by competent authority of the firms who have availed their services certifying the performance of the works carried out.
- Bidder shall furnish copies of purchase orders / work orders with reference to the previous similar work done by the contractor. In case of bought out items, manufacturer's test certificates of the same for technical specifications confirmation is essential.
- The bidder in the last five financial years should have achieved in at least two financial years an average annual turnover of minimum Rs. 20.00 lakhs. In proof of the above, the agency should furnish balance sheets/turn over certificates duly signed by Chartered accountant.
- Those bidders whose contracts have been terminated / fore-closed by KPCL or whose performance has not been satisfactory while executing the contract of the above within last ten years are not eligible to participate in the bid. The bidder shall furnish an undertaking in this regard.

➤ The bidder shall also upload scanned copies of the following statutory documents.

- (a) Income tax PAN.
- (b) VAT/CST registration certificate
- (c) Independent PF code registration.
- (d) Service tax registration certificate.

Note : The original statutory documents shall be produced for verification at any stage of tender process as and when sought for, failing which, the bids are liable for disqualification.

7.00 The tender shall be submitted in TWO PART only (Two cover system)

- Part-I shall consist of pre-qualification, technical details, necessary documents & EMD.
- Part-II shall consist of financial bid.

8.00 The intending Bidders shall upload all the documents along with the tender.

9.00 After evaluation of technical bid, those offers which meet PQR & technical specification of the tender in complete manner will be accepted & financial bids of only such bidders will be opened.
